

960H Bullet Camera with IR

6333-0

Channel Vision's Varifocal Bullet with Smart IR provides a wide area of coverage during day and night with the ability to view objects in great detail at 800 lines of resolution. Its IP65 water resistant outdoor camera design and LED illumination make it ideal for CCTV installations where there is no ambient light or shelter. The 6333-0 is the perfect camera for high traffic areas such as retail stores, commercial surveillance and home entry points.

Features

960H High Resolution Sony Super HAD CCD Sensor II
800 TV Lines of resolution
2.8-12mm lens
WDR (Wide Dynamic Range)

Specifications*

Image Sensor: Sony 1/3" Effio-A+810BK
Picture Elements: NTSC: 976 (H) x 494 (V)
Resolution: 800 lines
S/N Ratio: More than 50 dB
Min Illumination: 0.001 Lux (F2.0)/ 0 Lux IR On
Gamma Characteristic: Adjustable
Auto Electronic Shutter: 1/501/100000
AGC: Adjustable (off/12DB/24DB/36DB)
Camera Lens: 2.8-12mm Varifocal Lens
Sync. System: Internal, V
Power Requirements: 12VDC 400mA
Infrared Illumination: 42 IR LEDs

LED Wavelength: 850nm
Illumination Distance: 13 meters (45ft)
Video Output: 1 Vp-p @ 75 ohms
Operating Temp: -10°C to 50°C (14°F to 122°F)
Power Supply Connector Size: 2.1mm
RS-485: Pelco D
