Use a C-BCK when your set-top box cannot tune to the ChannelPlus channels. (NOTE: The C-BCK will not work if your cable company has filled the entire TV spectrum to CATV channel 125.)

Example:

Modulator set to UHF 25.

Tune TV to channel 3 to watch cable
(select channel using set-top box)

Tune TV to UHF 25 to watch DVD player.

Warranty

Multiplex Technology, Inc., warrants this product to be free from defects in materials and workmanship for a period of one year from the date of purchase or MTI will repair or, at its option, replace the defective product. To obtain warranty service, call MTI for a Return Material Authorization (RMA) number and return the product pre-paid accompanied by a copy of the purchase receipt, to Multiplex Technology, Inc., 3001 Enterprise St., Brea, CA 92821, Attn: Customer Service. Please put the RMA number on the outside of the carton.

Any implied warranty arising from the sale of the product including implied warranties of merchantability and fitness for purpose are limited to the warranty stated above. MTI shall not be responsible for any loss, damages or expenses, whether direct, consequential, or incidental arising from the use or inability to use this product. Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to you. This warranty gives you specific legal rights, and you may have other rights which vary from state to state.
