

Nuvo® P400 Player Portfolio Tabletop Speaker

Putting the music you love in any room of the home. The Player Portfolio Tabletop Speaker (NV-P400-XX) provides superior sound quality through a powerful 2.1 system. The sleek P400 brings pure, clean sound to any room of the home and is used as a single zone for the Nuvo Player Portfolio System allowing access to networked audio content and a variety of streaming services.

- Superior sound quality with powerful 2.1 system, complete with a five and a quarter inch subwoofer, two midrange drivers and two tweeters
- Simple control with the top-mounted LED controls, Nuvo in-wall Keypads, and the Nuvo Player app for iOS and Android devices
- Use as a Player zone giving you access to networked content or streaming services such as Spotify, Pandora, iHeartRadio, and more
- Sleek design with metal grill and capacitive touch backlit control
- TOSLINK and analog line input
- Third-party integration with control partners such as Crestron, Control4, KNX, RTI, URC, and more
- Ethernet or Wireless 802.11 a,b,g,n, 2.4GHz or 5GHz

*Streaming services subject to geographic availability. Service subscriptions may be required.

Nuvo® P400 Player Portfolio

Tabletop Speaker
