MDU Enclosure Solution

WIRING MADE EASY

Legrand's MDU enclosure solution provides easy, cost-effective distribution for video, voice, and data services throughout multi-dwelling units or small homes. Featuring many configuration choices and time-saving features, this is the ideal solution for meeting a project's specific needs with simplicity and speed.

Features:
- Simplifies the specification and installation of basic structured wiring projects
- Elegant snap-on cover includes screws for optional locking
- Enclosure can be surface or flush mounted
- UL Listed
- Unit Size (in): 8" x 14.3" x 3.74" (H x W x D)

Benefits:
- **Easy to Install.** Save time on the job through the use of screw driver holes on the knockouts, flexible mounting tabs, drywall depth indicators, and a quick, snap on cover.

- **Easy to Specify:** With six video, two phone, and three data distribution options, solutions can be customized for each project.
